The owner may make a one-time election to receive a lump sum accelerated benefit payment if the insured is diagnosed with a terminal illness that is expected to result in a limited life span of 12 months or less.

The accelerated benefit payment amount may be up to 50% of the policy’s proceeds payable upon death, subject to a minimum of $1,000.

There is no premium for this rider; however, a one-time administrative fee not to exceed $250 will be added to the rider benefit at the time of acceleration and interest will be charged on the accelerated benefit payment.

The rider benefit payment, the administrative fee and any accrued interest will be a lien against the policy, and along with any outstanding policy loans, will reduce the amount otherwise available under the policy’s death benefit and cash value.

Any accidental death benefit provided by policy provision or rider will not be impacted by the accelerated benefit payment.

All premiums under the policy and any riders will be waived for 12 months following the benefit payment. If the insured is living after 12 months, the waiver will no longer apply and premiums will be due.

Accelerated benefits may be taxable and may adversely affect the ability for Medicaid benefits or other state or federal government benefits. Assistance should be sought from a personal tax advisor.

IMPORTANT NOTICE REGARDING THE REPLACEMENT OF YOUR POLICY OF LIFE INSURANCE

You have been offered a policy to replace all or part of your existing policy of life insurance.

The agent who is offering to replace your existing policy is required to obtain your signature on this notice. Also, the agent will be notifying your existing company that you are considering the replacement of your policy.
