PAYMENT OF BENEFITS

AGREES, subject to the provisions of this certificate to pay the Face Amount shown on Page 3 to the beneficiary. Such payment will be made not later than thirty (30) days after receipt at our Home Office of (1) Due proof of death of the Insured, such as a certified copy of a certificate of death or a certified finding by a court of competent jurisdiction; (2) Proof that the Insured died prior to the expiration date and while this certificate was in force, and (3) Proof of the claimant's right to the proceeds.

All sums payable by RNA under the terms of this certificate shall be payable at its Home Office in Rock Island, Illinois. Before payment is made as a result of termination of this certificate, the certificate must be returned to RNA. Full payment of the certificate proceeds to the party designated as being entitled to receive such proceeds shall fully discharge Royal Neighbors of America (RNA) from all claims under the certificate.

If the certificate's proceeds are not paid in one lump sum to the beneficiary within thirty (30) days after RNA has received due proof of the right to the proceeds, RNA shall pay interest on the unpaid proceeds. Interest will accrue from the date of death of the Insured to the date of settlement, at a rate not less than the current rate of interest paid on death proceeds left on deposit with RNA under the proceeds at interest settlement option. Any debt on the certificate will be deducted at the time of final payment.

This certificate is issued in consideration of the application and the payment of the premiums. Certificate years, months, and anniversaries will be determined from the Issue Date. The Rating Age of the Insured is the age last birthday on the Issue Date. The Attained Age of the Insured is the Rating Age plus the number of complete certificate years which have elapsed from the Issue Date.

The Certificate Data on Page 3 and the provisions on this and the following pages are part of this certificate. Any additional benefit(s), if any, are provided by rider or endorsement and are subject to the provisions of the rider or endorsement.

NONFORFEITURE FACTOR: 19.6528 - Based on 5% guaranteed interest

LOANS – The Owner may obtain a loan on this certificate while it is in force other than as Extended Term Insurance. Such loan plus any existing debt hereon may not exceed the loan value. The loan value is the current cash value plus the current cash value of any paid-up additions. The sole security for a loan shall be this certificate. A loan shall be requested by completing a proper loan agreement and sending it and this certificate to the Home Office.

The loan will bear interest at the rate of 8% per annum. Interest is payable at the end of each certificate year. Interest not paid shall be added to the loan. The existing debt at any time shall include accrued interest.

If the existing debt equals or exceeds the loan value, this certificate shall terminate and be void thirty-one (31) days after notice has been mailed to the Owner and the Assignee of record, if any, at the address last known to RNA.

The debt or any part of it may be repaid at any time while this certificate is in force prior to its maturity. However, if this certificate is under a nonforfeiture option, any debt which was deducted to determine such insurance may not be repaid unless the certificate is reinstated.

RNA may defer the granting of a loan for a period up to six (6) months after the request is received, except for the purpose of paying premiums.

AUTOMATIC PREMIUM LOAN OPTION – If the Owner has elected this option, RNA will automatically process a certificate loan to pay the modal premium in default. If the certificate's loan value is insufficient to pay the selected modal premium, a loan equal to any available shorter Premium Mode that will keep the certificate in force will be made. If the loan value should become insufficient to pay a monthly premium, the terms of the Nonforfeiture and Surrender provisions will take effect.

DIVIDENDS – Starting at the end of the second certificate year, this certificate shall earn annual dividends as declared by RNA, except while in force as Extended Term Insurance. There are four options available to the Owner to apply the dividends:

Option 1 – Applied to the payment of premiums.

Option 2 – Paid in cash.

Option 3 – Applied to purchase paid-up additions.

Option 4 – Left on deposit to accumulate with interest as authorized by RNA, at not less than 2% per annum on amounts on deposit for full certificate years.

Dividend Option 3 shall be used unless the Owner directs otherwise. Option 3 is required if this certificate is continued in force as Reduced Paid-up life insurance.

Dividend accumulations may be withdrawn. If this certificate lapses before a Cash Value is available, any dividend accumulations shall be paid in cash. Any dividend accumulations existing at the maturity of this certificate shall be paid with the other proceeds of this certificate.

Paid-up additions not required as security for a loan may be surrendered for the reserve on the preceding certificate anniversary.

RNA does not expect that any dividends will be declared on this certificate.

BENEFICIARY – The beneficiary is as stated in the application, unless changed. The Owner may change the beneficiary without the consent of any such beneficiary. Proper written request will be required. No such change will take effect unless recorded by RNA. When recorded, the change will take effect on the date the request was signed, but without prejudice to RNA on account of any payment made by RNA before receipt of the request. If the beneficiary dies before the Insured and no other beneficiary has been named, payment of the proceeds shall be made as provided by the RNA Bylaws in effect at the time of the Insured's death.

REPRESENTATIONS – In the absence of fraud, all statements made by the applicant in the application shall be deemed representations and not warranties. No statement shall be used to void this certificate or used in defense of a claim unless it is contained in the application and a copy of the application is endorsed upon or attached to the certificate when issued.

INCONTESTABILITY – This certificate shall be incontestable after it has been in force during the lifetime of the Insured for two (2) years from the Issue Date, except for the non-payment of Premiums. If the two-year period is not allowed by the law in the state where this certificate is delivered, the period shall be the longest time allowed by such law.

SUICIDE – If the Insured commits suicide, while sane or insane, within two (2) years from the Issue Date, the only amount payable shall be the amount of premiums paid.

ISSUE AGE AND SEX – If the age or sex of the Insured has been misstated, the amount payable shall be such as the premiums paid would have purchased at the correct age and sex. However, if the correct age was not an insurable age under RNA's laws, the amount payable shall be the amount of premiums paid. If RNA makes or has made any overpayment or underpayment on account of a misstatement of age or sex, the amount thereof, with interest at the rate of 6% per annum shall, in the case of underpayment, be paid by RNA or, in the case of overpayment, may be charged against the current or next succeeding payment or payments made by RNA under the provisions of this certificate.

CAMP/CHAPTER MEMBERSHIP – The Insured shall be a member of a camp/chapter of RNA on the Issue Date.

MAINTENANCE OF RESERVE – If RNA's reserves become impaired, the Owner shall pay RNA this certificate's equitable proportion of the deficiency. However, there shall be no personal liability for such payment except against this certificate's reserves. The amount of such payment and deficiency shall be determined by RNA's Board of Directors. If such payment is made in cash, it shall stand as a debt against the certificate. Such debt shall bear interest at 5% per annum. In lieu of the foregoing, or in combination with it, the Owner may consent to a corresponding decrease of the insurance benefits. Such decrease shall be in the same proportion as the amount of such payment bears to the reserve immediately before such decrease.

SUSPENSION OR EXPULSION – If the member of RNA under this certificate should be expelled or suspended from membership with RNA for any reason, except for nonpayment of premium or within the contestable period for misrepresentation in the application for insurance or application for membership, the Owner shall have the privilege of maintaining this certificate in force by continuing payment of the required premium as shown on Page 3 of this certificate.

INTERNAL REVENUE CODE – In the event of any conflict between Section 7702 of the Internal Revenue Code and the provisions of this certificate, the Internal Revenue Code section will govern so as to maintain treatment of this certificate as a life insurance contract under the Internal Revenue Code.

MODIFICATIONS – No representative (agent) of RNA can make changes to this certificate. Only authorized officers of RNA have the authority to waive terms of or make any changes to this certificate. All changes must be in writing.

ANNUAL REPORT – For each year during which this certificate is in force, RNA will provide the Owner of this certificate an Annual Report without charge. The Annual Report will show the current values of the certificate. RNA will provide additional reports at any time, upon request of the Owner. RNA may charge a fee not to exceed \$25.00 for each additional report subsequently requested during a certificate year.

MINIMUM VALUES – The Cash Surrender values and death benefits available under this certificate are not less than the minimum benefits required by any statute of the state in which this certificate is delivered. A detailed statement of the method of computing Cash Surrender values has been filed with the Insurance Department of the state in which this certificate is delivered.

PAID-UP OPTION – This certificate may be endorsed as fully paid-up when its net Cash Value equals the reserve of the paid-up certificate of the same form and amount at the Insured's attained age. Proper written request will be required.

NONFORFEITURE AND SURRENDER - The Owner may surrender this certificate for its net Cash Value while the Insured is living. The net Cash Value is the Cash Value less any indebtedness.

One of the following will apply if default in the payment of a premium continues to the end of the Grace Period:

1. Option 3 below shall take effect at once; or
2. The Owner may elect Option 1 or 2 in lieu of Option 3. Such election must be made by sending a proper written request to RNA not later than ninety (90) days after the due date of the premium in default. RNA may require this certificate to be endorsed.

Option 1 - Cash Surrender - To surrender this certificate for its net Cash Value. The net Cash Value is the Cash Value on the due date of the premium in default, plus any dividend accumulations, plus the Cash Value of any paid-up additional life insurance, less any debt hereon.

Option 2 - Participating Reduced Paid-up Insurance - To continue this certificate in force for a reduced amount. The amount of insurance shall be such as the net Cash Value will purchase at net rates at the Insured's attained age on the due date of the Premium in default. No further premiums shall be payable. The reduced amount shall be payable at the same time and under the same conditions as the death benefit would otherwise be payable.

Option 3 - Nonparticipating Extended Term Insurance - To continue this certificate in force as Extended Term Insurance. The amount of insurance shall be the Face Amount; plus any paid-up additions, plus any dividend accumulations, less any debt hereon. The term of the insurance shall be such as the net Cash Value will purchase at net rates at the Insured's attained age on the due date of the premium in default.

Life Insurance provided under Option 2 or 3 shall not include benefits provided by rider.

If this certificate is in force under Option 2 or 3 above, the Owner may surrender it at any time for its Cash Surrender Value. Under Option 2 the value shall be the reserve on the certificate, plus any Dividend accumulations, less any debt hereon. Under Option 3, the value shall be the reserve on the date of surrender, or on the certificate anniversary, if not more than thirty (30) days earlier. RNA may defer the payment of the surrender value for not more than six (6) months after the request is received. The deferral of the Cash Surrender Value of this certificate is contingent upon RNA's conveyance of a written request for the deferral to the State Insurance Commissioner, and RNA's receipt of written approval from the Commissioner for the deferral. If payment of the Cash Surrender Value is not made or placed within thirty (30) days of receipt of the certificate and the request for surrender, RNA will pay interest on the Cash Surrender Value at a rate not less than that required by law.

REINSTATEMENT - This certificate may be reinstated within five (5) years after the Grace Period has expired unless the Cash Surrender Value has been paid. To reinstate this certificate, RNA will require:

1. Evidence of insurability which meets its standards;
2. Payment of all past due Premiums;
3. Interest at the rate of 6% per annum on past due Premiums if the Grace Period has been expired for more than six months; and
4. Payment or reinstatement of any debt hereon on the date of default, with interest at the rate of 8% per annum.

SETTLEMENT OPTIONS – Shown below are options available for the payment of any part of the proceeds of this certificate in lieu of a lump sum. The Owner may change or revoke any previous election. An election, change, or revocation of an option must be made by proper written notice to RNA. No such election, change, or revocation by the Owner shall take effect until endorsed on this certificate while the Insured is alive and before this certificate matures. No payee under an option elected by the Owner shall have the right to change the manner of payment in any way unless the right has been given by the Owner in the election.

Within six (6) months after death of the Insured, the Beneficiary may elect an option if the Owner has not made an irrevocable election prior to the Insured's death.

The options are available and operative for a payee only if:

1. the amount to be applied is \$5,000 or more; and
2. the payments under the option are \$100 or more unless payments are made only annually; and
3. payments are to be made to a natural person who takes in his or her own right.

Option 1 – Proceeds at Interest – The proceeds may be left with RNA to earn periodic interest payments. The interest rate will be set by RNA from time to time. Each payment will be based on an interest rate of not less than 2% per annum. The Proceeds at Interest Option is not available under this certificate except in the event of the payment of the Death Benefit Proceeds to a Beneficiary following the Death of the Insured.

Option 2 – Payments for a Fixed Period – The proceeds may be paid in equal annual, semiannual, quarterly, or monthly payments for a fixed period of from five (5) to thirty (30) years. The amount of each payment for \$1,000 of proceeds will be in accordance with the following table:

Excess Interest – The payments certain under Settlement Options 2 and 3 are based on an interest rate of 2% per annum. Each payment certain will be increased by interest in excess of 2% per annum, if any, as may be set by RNA from time to time.

Dates of Payment – The first payment under Settlement Option 1 shall be payable at the end of the period selected, measured from the date on which the proceeds would have been due had such option not been elected. The first payment under Settlement Option 2 or 3 shall be payable as of the date on which the proceeds would have been due had such option not been elected.

Death of Payee – Any amount payable at the death of the Payee under a Settlement Option shall be paid in one sum to the estate of the Payee, unless other provision has been made.
