Living Promise Provides Coverage Tailored for You

At Mutual of Omaha, we offer Living Promise as your whole life insurance solution. Depending on which plan you qualify for, you'll have varying face amounts and premium options available. We can help you find a plan that best provides for your loved ones, based on your situation.

1. Level Benefit Plan

- For ages 45-85
- Face amounts from \$2,000 to \$50,000 (in WA, \$5,000 to \$50,000)
- Accelerated Death Benefit for Terminal Illness or Nursing Home Confinement
- Optional: Accidental Death Benefit Rider

2. Graded Benefit Plan*

- For ages 45-80
- Face amounts from \$2,000 to \$20,000 (in WA, \$5000 - \$20,000)
- This policy contains a graded benefit meaning that for death due to natural causes (any cause other than accidental) during the first two years, the beneficiary will receive all premiums plus 10 percent. After the two years, the full benefit is paid for death due to all causes. Full death benefits will be paid, in all years, if death results from an accidental bodily injury

Plus, both plans offer:

- Competitive premiums that fit many budgets
- Simplified underwriting. There are no medical exams. Your coverage is based on your answers to a few simple health questions.
- Reliable protection that can last for the rest of your life from a stable and secure company that you know and trust

What is Whole Life Insurance?

Whole life insurance is a type of permanent life insurance coverage designed to provide protection for your family by locking in benefits that can help pay for end-of-life expenses, as well as cash value that can be accessed in an emergency. Our premiums are guaranteed not to increase and benefits are paid directly to the person of your choosing.

Additional Benefits**

Accelerated Death Benefit for Terminal Illness or Nursing Home Confinement (ICC12L084R)

Allows the owner a one-time election to receive the Accelerated Benefit if the insured is either: (a) diagnosed as having a terminal illness that, with a reasonable degree of certainty, will result in the insured's death within 12 months or less from the date a physician signs the statement of proof of terminal illness, or (b) has been confined to a nursing home for 90 consecutive days or more and is expected to remain confined in a nursing home for the duration of the insured's life.

Accelerated Death Benefit for Terminal Illness or Chronic Illness Rider in FL (D359LFL12R)

Allows the owner a one-time election to receive the Accelerated Benefit if the insured is either: (a) diagnosed as having a terminal illness that, with a reasonable degree of certainty, will result in the insured's death within 12 months or less from the date a physician signs the statement of proof of terminal illness, or (b) certified by a physician that the insured is unable to perform (without substantial assistance from another person) at least two activities of daily living due to a chronic illness.

Accelerated Death Benefit for Terminal Illness Rider in CT (D358LCT12R)

Allows the owner a one-time election to receive the Accelerated Benefit if the insured is diagnosed as having a terminal illness that, with a reasonable degree of certainty, will result in the insured's death within 12 months or less from the date a physician signs the statement of proof of terminal illness.

Optional: Accidental Death Benefit Rider (ICC12L082R)

This rider provides an additional death benefit equal to the policy's face amount if the death of the insured results from accidental bodily injury and independently of sickness and all other causes. This rider is available for an additional premium.
