GUARANTEED PURCHASE OPTION RIDER

Gerber Life Insurance Company has issued this Rider as part of the Policy to which it is attached and is listed on the Policy Specifications Page.

You may purchase additional insurance on the Insured on each option date. The Policy must be in force on a premium paying basis. No option may be exercised, if on that date premiums are being waived under a waiver of premium rider. The Company will not require evidence of insurability for this purchase.

You may purchase any life insurance policy then offered by the Company to insureds at the Insured's attained age using standard rates at the time the option is exercised.

This Rider has no cash value. All terms of the Policy which are not inconsistent with this Rider apply to this Rider.

OPTION DATES

Option dates are the Policy anniversaries that occur when the Insured's age is 21, 25, 30, 35, or 40.

ADVANCE OPTION

You may advance the next option date that occurs after any of the following events:

1. the Insured's marriage, or
2. the birth of the Insured's child, or
3. the Insured's legal adoption of a child.

The event must occur while this Rider is in force on a premium paying basis. The Company may require proof of the marriage, birth, or adoption.

The date of your written request will become the option date; it will replace the option date you advanced.

ELECTION OF OPTION

You may exercise up to four (4) options under this rider.

You may exercise an option only once every 12 months.

The Company must receive your written request for the purchase, together with any required additional premium;

1. within 30 days prior to or after the option date, or
2. as an advance option purchase, within 90 days after the event.

If You die after making a request, but before the Option Date, any additional insurance will not take effect, and We will refund any premium received.

OPTION AMOUNT

Insurance may be purchased on each option date. The minimum amount of insurance is \$1000. The maximum amount of insurance that may be purchased in any twelve (12) month period is the lesser of the Adult Whole Life Face Amount or \$100,000. The maximum cumulative amount that may be purchased on all options is four (4) times the Adult Whole Life Face Amount. In no event may any insured have more than \$500,000 of life insurance coverage with Gerber Life.

EFFECTIVE DATE OF NEW INSURANCE

The effective date of the insurance purchased through this Rider will be the Option Date if the Insured is then alive.

INCONTESTABILITY

The contestable period of the insurance purchased through this rider will be measured from the issue date of the Policy purchased through this Rider.

TERMINATION

This Rider will terminate at the earliest of the following dates:

1. The option date that occurs when the Insured's age is 40, or
2. The date on which the age 40 option is advanced,
3. The date the Policy is terminated for any reason, or
4. The anniversary date on or next following receipt of a written request to cancel this Rider.

CONSIDERATION

This benefit is issued in consideration of the application, a copy of which is attached to the Policy. The premium for this rider is indicated on the Policy Specifications page.

NONFORFEITURE VALUES

This Rider does not have nonforfeiture values or loan values.

EFFECTIVE DATE

The effective date of this Rider will be the Policy Date.

3. the Maturity Date.

Payment of Death Benefit

The Death Benefit of this Policy will be paid, in accordance with its terms, upon receipt of proof, satisfactory to Us, at Our Administrative Office that the Insured has died. Interest on the Death Benefit will accrue from the date of death to the date of payment at a rate equal to the rate for proceeds left on deposit with Us or if We have not established a rate for funds left on deposit, at the Two Year Treasury Constant Maturity Rate as published by the Federal Reserve. In determining the effective annual rate, We will use the rate in effect on the date of death. Additional interest, at a rate of 10% will be paid if the death benefit is not paid within 31 days from the latest of: (1) Our receipt of Satisfactory Proof of Insured's Death, (2) Our receipt of sufficient information to determine the extent of liability and payee; and (3) removal of any legal impediments to payment of proceeds that were dependent upon parties other than Us. Proceeds Payable At Maturity Date

If the Insured is alive on the Maturity Date, We will pay the Net Cash Value to the Owner. Payment will terminate this Policy. We may require that the Policy be returned to Us before We make any payment.

Rider Proceeds

Proceeds payable under any rider attached to the Policy will be governed by the terms of the Rider, subject to applicable provisions of this Policy.

OWNERSHIP AND BENEFICIARY

Owner

Until the Insured's 21st birthday, the Owner is the person named on the Policy Specifications page or in any subsequent changes shown in Our records. If an Owner is not named on the Policy Specifications page, the Insured is the Owner. On the Insured's 21st birthday, the Insured becomes the Owner. If the Owner named on the Policy Specifications page or in any subsequent changes shown in Our records dies before the Insured's 21st birthday, the Beneficiary, if alive, will become the Owner; otherwise the legal guardian(s) of the Insured will become the Owner. In the event that more than one Owner is named, all elections and other actions that may be taken by the Owner pursuant to the terms of the Policy require joint action of all such persons.

Rights of the Owner

While the Insured is living, You may exercise all rights allowed in this Policy. These rights include, but are not limited to:

1. changing the beneficiary;
2. transferring ownership or assigning this Policy;
3. receiving benefits; and
4. reinstating this Policy.

The written consent of any irrevocable beneficiary on a form satisfactory to Us is also required to change that beneficiary designation

Transfer of Ownership

If You transfer ownership of this Policy, Your ownership rights terminate and the new Owner will be entitled to all rights available under this Policy. To transfer ownership, We must receive a written request from You on a form satisfactory to Us during the lifetime of the Insured. Your written request will not be effective until it is received in Our Administrative Office. Once received it will be effective as of the date you signed the request, unless a later date is specified by you. A transfer of ownership will not apply to any actions, including payments, taken by Us before the transfer has been received by Us.

Beneficiary

The Primary Beneficiary(ies) and any contingent Beneficiary(ies) are named in the Application or last beneficiary designation filed with Us. If no Beneficiary is named in the Application, You will be the Beneficiary. If more than one Primary Beneficiary is named, death benefits will be paid in equal shares to the primary beneficiaries who survive the Insured unless the Owner has provided otherwise in the Application or last designation. If no Primary Beneficiary is living when the Insured dies, death benefits will be paid in equal shares to the contingent beneficiaries who survive the Insured unless the Owner has provided otherwise in the Application or last designation. If no Beneficiary is living when the Insured dies, death benefits will be paid to You, if You are living, otherwise to Your estate.

Common Disaster

If any Beneficiary dies with the Insured in a common disaster, the proceeds will be payable as if that Beneficiary died before the Insured, unless it is proven to Our satisfaction that the Insured died first.

Change of Beneficiary

To change a beneficiary We must receive a written request from You on a form satisfactory to Us during the lifetime of the Insured to change that beneficiary designation. The written consent of any irrevocable beneficiary on a form satisfactory to Us is also required. Your written request will not be effective until it is received in Our Administrative Office. Once received it will be effective as of the date you signed the request, unless a later date is specified by you. A change of beneficiary will not apply to any actions, including payments, taken by Us before the change has been received by Us.

Assignment

This Policy may be assigned. No assignment will be recognized by Us unless a copy is filed with Us. We are not responsible for the validity of any assignment. Any claim by an assignee is subject to proof of the validity and extent of the assignee's interest in the Policy. Assignments, unless otherwise specified by You, shall take effect on the date You signed the assignment, subject to any payments made or actions taken by Us prior to the receipt of this notice.

PREMIUMS

Premiums

Premiums are payable in the amount and frequency shown on the Policy Specifications page. You may change the frequency of the premium payment subject to Our approval. If a part of the premium ceases to be payable under the provision of a Rider, the premium will be reduced accordingly. If premiums are paid more frequently than on an annual basis, their sum total may be more than the annual premium for the same time period. Premiums shall neither be due nor accepted after age 121.

When Premiums Are Due

The first premium is due as of the Policy Date. Premiums are payable at Our Administrative Office. Each subsequent premium, after the first premium, is due on the first day following the period covered by the preceding premium.

To keep this contract in full force, all premiums must be paid when due, or before the end of the 31-day period after the due date of an unpaid premium, as described in the Grace Period provision.

Grace Period

A Grace Period of 31 days will be allowed for payment of a premium after its due date. The Grace Period does not apply to the first premium. Your Policy will continue in force during the Grace Period.

If the Insured dies during the Grace Period, We will deduct from the proceeds of the Policy, the past premiums due from the due date up to the last day of the Policy month in which the Insured dies.

Nonpayment of Premiums

If any premium is not paid when due and if such premium is not paid within the Grace Period, such premium shall be in default. If this happens, this is referred to as a lapse. If this Policy has a Net Cash Value, the Nonforfeiture Options provision will apply.

Reinstatement

If this Policy lapses, and it has not been surrendered for cash or cancelled, the Owner may reinstate it within three years after the due date of the first unpaid premium, subject to the following requirements:

1. Receipt of a written application for reinstatement during the lifetime of the Insured on a form provided by Us to You upon written request to Our Administrative Office;
2. Evidence of insurability satisfactory to Us;
3. Payment of all overdue premiums with 6% interest compounded annually. Compounding of interest means that each year interest is added to the amount owed and begins to bear interest itself.
4. Repayment or reinstatement of any Indebtedness that existed when the Policy lapsed with 8% interest compounded annually. Interest will begin on the date of reinstatement.

The suicide provision does not begin anew after reinstatement. We may contest a reinstated Policy until it has been in force during the Insured's lifetime for a period of two years from the date of reinstatement. Thereafter, the reinstated Policy is incontestable. We may contest the reinstated Policy only with respect to representations made in the application for reinstatement.

NONFORFEITURE

If You terminate this Policy or stop paying premiums after this Policy has a Net Cash Value and the Automatic Premium Loan provision does not apply, prior to the Maturity Date, You may elect one of the Options described below.

Your written request must be received by Us at Our Administrative Office by the end of sixty (60) days after the due date of the premium in default. If no written request is received, the Automatic Nonforfeiture Option provision will apply.

The Guaranteed Policy Values for the Options described below are shown in the Table of Guaranteed Policy Values on the Policy Specifications page.

Cash Surrender

Surrender consists of Our payment to You of the Net Cash Value. The Net Cash Value will be the amount determined at the beginning of the Grace Period, if any. Upon payment of this Option, this Policy will terminate.

If the Policy is surrendered within thirty-one (31) days after a Policy anniversary, the Net Cash Value will be the Cash Value on that anniversary, less any Indebtedness made on or after such anniversary and any unpaid and due premium.

We may delay paying the Net Cash Value for not more than six (6) months after the date the written request for surrender is received.

Reduced Paid-Up Insurance

If this option is elected, this Policy will continue as Paid-Up insurance. The Net Cash Value will be the amount determined at the beginning of the Grace Period. The amount of the Paid-Up insurance purchased will be the amount the Net Cash Value will purchase at the Insured's original rate classification and attained age at the beginning of the Grace Period.

Extended Term Insurance

(The option is not available to any insured that has a rate classification of Substandard as noted on the Policy Specification page.) If this Option is elected, We will apply the Net Cash Value as a net single premium to purchase term life insurance at the Insured's original rate classification and attained age. The Net Cash Value will be the amount determined at the beginning of the Grace Period. The amount of term insurance purchased will be the Face Amount less any outstanding indebtedness. The term period will be that which the Net Cash Value will purchase when applied as a net single premium. The term period will begin at the beginning of the Grace Period. At the end of the term period, this Policy will terminate without value.

Automatic Nonforfeiture Option

Prior to the Policy Date upon which the Insured is age 121, if no written request is received from You by the end of the Grace Period, the Automatic Nonforfeiture Option will be Extended Term Insurance. However, if the Insured is in a substandard rate classification the Automatic Nonforfeiture Option will be Reduced Paid-Up Insurance.

BASIS OF COMPUTATIONS

Cash Surrender, Reduced Paid-Up Insurance, and Extended Term Insurance

Values are based on the mortality table and the interest rate shown in the Table of Guaranteed Policy Values within the Policy Specifications page, showing the cash values, if any and paid-up Nonforfeiture benefits, if any, available under the Policy during the term of the Policy. Such values are calculated upon the assumption that there is no Indebtedness on the Policy.

The nonforfeiture values for this Policy are equal to or greater than those required by law. The nonforfeiture values are calculated in accordance with the NAIC Standard Nonforfeiture Law for Life Insurance, model #808. A detailed statement of the method of calculation has been filed with the Interstate Insurance Product Regulation Commission.

Any Cash Surrender Value and any paid-up Nonforfeiture benefit available under the Policy in the event of default in premium payment due at any time other than on a Policy anniversary will be calculated with allowance for the lapse of time and the payment of the fractional premiums from the last preceding Policy anniversary.

LOANS

Policy Loans

You may obtain a loan while this Policy is in force. This Policy is the security for the loan.

However, if this Policy is in force under Extended Term Insurance of the Nonforfeiture Options provision, You may not obtain a loan.

The loan may not exceed the Net Cash Value on the next Policy anniversary.

Loan interest is payable in arrears at a fixed loan interest rate of 8.0% per year during the entire life of the Policy. Interest will be compounded annually and will be applied to the average loan balance during the year. The year will start on the date the loan is made and end 365 days later.

Loan interest will accrue from the date each loan is made. Interest is payable in each Policy year or on each Policy anniversary if the Policy is continued under Reduced Paid-Up Insurance of the Nonforfeiture Options.

We may delay making a loan, unless it is being used to pay premiums, for not more than six (6) months after the date the application for the loan is received.

Loan Repayment

A loan may be repaid at any time while this Policy is in force. A loan that exists at the end of the Grace Period may not be repaid unless this Policy is reinstated.

Indebtedness

Indebtedness means all existing loans or liens on this Policy plus unpaid earned interest. Existing Indebtedness, including any due and accrued interest and any unpaid premiums to the end of the current Policy year shall be deducted from the loan value or the proceeds of the loan. Any Indebtedness that has not been repaid shall be deducted from any Death Benefit that is paid. If at any time the total indebtedness equals or exceeds the Cash Value, this Policy will terminate without value. Termination will occur thirty-one (31) days after Our notice has been mailed to Your address and the address of any assignee of record.

Automatic Premium Loan

We will automatically make a loan to cover a premium not paid by the last day of the 31-day grace period. The loan will be made as of the premium due date for a monthly premium. We will not make an automatic premium loan that will cause the policy debt to exceed the Net Cash Value on the next Policy anniversary. In such case, this provision will not apply and the Nonforfeiture provisions of this Policy will apply.

You may elect to terminate this automatic premium loan provision at any time. The cancellation will apply to premiums coming due after the date We receive written notice of cancellation at Our Administrative Office.

GENERAL PROVISIONS

Contract and Representations

This Policy is a legal contract. It is between You and Us. It consists of:

1. the Policy, endorsements, riders, and attachments, if any; and
2. any Application attached to the Policy.

This Policy constitutes the entire contract between You and Us.

Statements in any Application are in the absence of fraud deemed representations, not warranties. Unless a part of the Policy, no statement by You or the Insured will:

1. reduce benefits; or
2. be used as a defense to a claim.

Changes

The terms of the Policy may be altered only by written agreement signed by Our President or a Vice President. This authority cannot be delegated.

Incontestability

Except after reinstatement, We cannot contest this Policy or any attached rider after it has been in force during the Insured's lifetime for a period of two years from the Issue Date except for failure to pay premiums or fraud (if permitted by the jurisdiction in which this Policy is delivered). Any addition of a rider after the Issue Date shall be incontestable, after it has been in force during the Insured's lifetime for 2 years after the effective date of such addition of rider, except as to fraud (if permitted by the jurisdiction in which this Policy is delivered). We may contest this Policy or any rider on the basis of any material misrepresentation in the Application, supplemental application, reinstatement application or other document signed by You that becomes part of the Policy.

Suicide

If the Insured dies by suicide within two years from the Issue Date, the only amount payable by Us will be the premium paid for the Policy less any loans outstanding against the policy.

Misstatement of Age

If the Insured's Age has been misstated in the Application, the Face Amount will be that which the most recent premium paid would have bought for correct Age. We will not terminate coverage and refund premiums if the correct age is outside the issue age ranges of the form. A premium and benefit will be extrapolated.

Termination

This Policy will terminate on the earliest of:

1. The date We receive a written request from the Owner to terminate the Policy;
2. The date the Insured dies;
3. The Maturity Date; or
4. Subject to the Nonforfeiture Provision, the end of the Grace Period, if a past due premium remains unpaid.
5. The date on which this Policy is surrendered.

Nonparticipating

This Policy does not share in Our earnings.

Conformity with Interstate Insurance Product Regulation Commission Standards

This Contract was approved under the authority of the Interstate Insurance Product Regulation Commission (IIPRC) and issued under the commission standards. Any provision within this Policy on the Issue Date that is in conflict with Interstate IIPRC standards for this product type is hereby amended to conform to the Interstate IIPRC standards for this product type as of the Policy's Issue Date.

Claims of Creditors

All payments under this Policy are exempt from the claims of creditors to the fullest extent permitted by law. Payments may not be assigned without Our consent.

ARBITRATION

This provision applies to any dispute arising out of the formation, acceptance and construction, interpretation, performance, breach or validity of this Policy by or among, the Owner, or Beneficiary and the Company.

The Owner or Beneficiary may elect voluntary post-dispute binding arbitration.

The Owner or Beneficiary can start arbitration by sending a written demand to the Company.

Arbitration shall be conducted in accordance with the rules of the American Arbitration Association ("AAA"), before a panel of 3 neutral arbitrators who are knowledgeable in the field of life insurance and appointed from a panel list provided by the AAA. The Owner or Beneficiary and the Company shall each appoint one arbitrator, and the two appointed arbitrators shall appoint the third arbitrator.

The proceedings will be conducted in the city or county of residence of the Owner or Beneficiary.

The Company will pay for the cost of the arbitration. The Company will pay the arbitrators' fees including any deposits or administrative fees, but will not be responsible for any costs or fees for the Owner's or Beneficiary's legal representation.

If there is any inconsistency between this provision and AAA rules, this provision shall control.

REPLACING YOUR LIFE INSURANCE POLICY OR ANNUITY?**

Are you thinking about buying a new life insurance policy or annuity and discontinuing or changing an existing one? If you are, your decision could be a good one -- or a mistake. You will not know for sure unless you make a careful comparison of your existing benefits and the proposed policy or contract's benefits.

Make sure you understand the facts. You should ask the company or agent that sold you your existing policy or contract to give you information about it.

Hear both sides before you decide. This way you can be sure you are making a decision that is in your best interest.
